

Flame Guard Waste Paper Bin, 30L - Brilliant Steel

Our large 30 litre Flame guard waste bin is the ideal safe solution for your home or office. The high-grade steel flame extinguisher automatically shuts off the oxygen supply whenever waste takes fire in the bin. It's large enough for your waste, and safe enough for your family or co-workers.

Benefits & Features

- The stainless steel flame extinguisher cuts off the supply of oxygen in the event of fire in the bin and the fire will go out
- Tested and certified by RWTÜV Germany
- Removable metal inner bucket - easy to clean and corrosion resistant
- Suitable for both professional as household use
- Practical design - most of the content of the waste bin is discretely covered
